We the undersigned agree to the responsibilities outlined in the Texas A&M University Accelerate Online Internship Handbook.

The responsibilities designated to the University Supervisor include: required post-observation conferences; feedback; communication with the School District Mentor Teacher and School Administrator; and formal evaluation at the end of each semester.

Responsibilities for the Mentor Teacher include: communicating with the University Supervisor throughout the Internship process.

The responsibilities of the Principal include: communicating with the University Supervisor as needed and completing the online principal survey following the Intern’s summative conference.

Texas A&M University looks forward to collaborating with the district in providing assistance so that the Intern will successfully complete all the requirements toward teacher certification.
